

Women Get Free Homes In Marin County With The MARIN SHUFFLE Tactic

By Delores Rey

Attractive women (with visible abs) seek out rich men to marry, in Marin County, California.

The women stop having sex with the husbands shortly after marriage.

They get the husbands to hire hot, dumb, nannies or maids. When the husband screws the hired help, the wife files for divorce.

The woman has staged it so that it is cheaper and easier, for the guy to just give her the house,

Free house, no husband.
